The Power to Think
There would be more thoughts
thought,
Than one would think it possible to
think.
If all the people who think they
think
Only knew how to think."—Anon.

—o—o—o—
"Never attempt to bear more than
one kind of trouble at once. Some
people bear three kinds—all they
have had, all they have now, and all
they expect to have."—Edward
Everett Hale.

—o—o—o—
We printed an item in this column
a while back about a German doctor
who says he can produce a drug or
serum that would entirely abolish
the habit of sleeping. We suggested
a new baby in the home may some-
times accomplish the same results.
A preacher friend opines, however,
that if we abolish sleep we destroy
the only few hours that a man lives
above reproach.

—o—o—o—
This classified ad is reported to
have appeared recently in a daily
paper: "Owner of 1910 Ford would
like to correspond with a widow who
owns some good tires. Object mat-
rimony. Send pictures of tires."

—o—o—o—
The major menaces on the high-
ways, according to a popular maga-
zine, are drunken driving, uncon-
trolled thumbing and indiscriminate
spoofing. To put it briefly, hic,
hike, hug.

—o—o—o—
A Public Utility of
"Pahson, buccome you-all's takin'
up a collection when you don't just
tol' us salvation am free?"
"Salvation am free, Brother, just
like the water you drinks, but when
we pipes it to you all has to pay
fo' de pipin'."

—o—o—o—
A friend in speaking of our mon-
key poem in last week's column, says
that after years of profound study
he still doesn't know whether man
sprang from monkey, but he says he
does know that the average woman
will spring from a mouse.

—o—o—o—
Will Rogers once said that the
one main objection he had to the
theory that man sprang from the
monkey was that he didn't spring for
enough.

Wise Co. Teachers Association Meets Aat Bridgeport

The Wise County Teachers Association met at Bridgeport, Wednesday evening, March 8. The meeting was presided over by W. F. Barker, president and superintendent of schools at Alvord.

Approximately eighty teachers and guests attended. This was one of the largest numbers in attendance during the year. Among the guests present were: Dr. and Mrs. E. M. Gettys, Miss Sue Mann, District Deputy State Superintendent, V. E. Baldridge, president of the county school board, and the chairman of the board of trustees of the Bridgeport public schools.

A lovely banquet was served by the Homemaking Club of the Bridgeport High School. Miss Irma Frances Kaker furnished music for the occasion. Superintendent Barker and his faculty acquitted themselves creditably by the courteous and efficient manner in which the meeting was conducted.

Miss Isabel Hunt of Decatur, introduced the speaker, Dr. E. M. Gettys, dean of Decatur Baptist College, who proceeded to conduct a round table discussion and poll on 11 of the important topics connected with world affairs of today. Dr. Gettys used the Socratic method by means of which he soon convinced the audience that he was a master of the Social Studies, current events, and modern ideology. He based his discussion on the theory, "That where there is no expression there is no impression."

The eleven topics discussed and voted upon are as follows:

1. Russian terms to Finland.
2. The treatment of Poland.
3. The Jewish problem.
4. The recent creation of twenty Russian states.
5. Which will be the more generally accepted concept after the war—the Socialistic or the Democratic?
6. Are we justified in the bombing of Berlin?
7. The recent conflict between Congress and the President.
8. Should President Roosevelt be re-elected?
9. Whether are we drifting in the United States?
10. Has democracy outlived its usefulness?
11. The establishment of an Association of Nations at the end of the war.

Dr. Gettys did not undertake to answer all these questions, but gave the proper emphasis to the subjects of the discussion, and two minutes of singing followed.

Fundamental Baptist Church

The Fundamental Baptist Church of Decatur, Texas, will hold its annual convention at Alvord, Texas, on Friday and Saturday, March 17 and 18. The convention will be held at the Alvord Hotel, and will feature a series of lectures and discussions on fundamental Christian principles. The church is a member of the Texas Baptist Convention.

The church is a member of the Texas Baptist Convention.

General Plans Completed For Baptist Summer Revival

The First Baptist church of Decatur has completed general plans for their summer evangelistic campaign, including date for the meeting and engaging helpers for these special services. The time agreed upon for the meeting is June 25 to July 5. Rev. McKinley Norman, one of the state evangelists employed by the Baptist State Convention, has accepted an invitation to do the preaching, and Rev. Lawson Hatfield has been engaged to lead the singing.

Rev. Norman is a graduate of Decatur College, Baylor University and the Southwestern Seminary. He has served as pastor at Quannah, First Church, Waxahachie, and Tucuman, N. M. For a number of years he was

an evangelist under the Home Mission Board and for the past four years has been employed as an evangelist by the Baptist State Convention. During these years there have been an average of 550 additions per year to the churches in which he has held meetings, and an average of 300 baptisms.

Rev. Hatfield led the singing in our meeting last year and is well known and loved by the church.

The purpose of this proposed meeting is to bring new spiritual life to the Christians of the community, and win new recruits to the army of the Lord. The entire citizenship is invited to cooperate in this special campaign.

R. E. BELL, Pastor.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

Many of the people of the United States are not fully informed of the war situation. The Office of War Information has prepared a series of pamphlets, "Town and Farm in Wartime," which will help them to understand the war situation and to do their part for the war effort. The pamphlets are available free of charge to all citizens. They are a valuable source of information for all who want to know more about the war and how to help win it.

The pamphlets are available free of charge to all citizens. They are a valuable source of information for all who want to know more about the war and how to help win it.

Rev. Wesley B. Hite, Denton Addresses Local Lions

Hon. Ed Gossett Asks Re-election to Congress, 13th Dist.

We are in receipt of a letter from the Hon. Ed Gossett, Congressman from this district, requesting us to place his announcement in our political announcement column as a candidate to succeed himself.

He states that his formal announcement and statement will be in our lands within a few weeks. Congress has been in continuous session and probably will be for the war's duration, and Mr. Gossett is on several committees which require all his time. We are sure the voters will appreciate his position and give him a full consideration.

Watch for his statement several weeks hence in which he will give his constituents a full account of his stewardship and rest assured Congressman Gossett is on the job.

Pioneer Citizen Passes Away At Bridgeport

The last rites for Harry Hardy, one of the best known pioneer citizens of Bridgeport, were held at the First Baptist church in Bridgeport, Friday, March 10, at 3 p.m., by Rev. C. E. Roark, his pastor, assisted by Rev. Roy L. Patton, pastor of the First Methodist church, after which his tired body was laid to rest in the Eastside cemetery beside his faithful companion, who preceded him in death August 7, 1943. The deceased had been a citizen of Bridgeport for 52 years. He has been identified with the growth and business enterprises of the city until he retired a few years ago. He was a former Mayor of Bridgeport and also was manager of the coal mines for a number of years. He and his wife were among the charter members of the First Baptist church and were always in the front line of service for the master. He supported the institution with his means and gave his presence at every opportunity to all services and since he came back from Oklahoma City, where he spent the winter with a daughter, he was present in the Adult Sunday School class each Sunday morning when health would permit. He was a quiet man and unassuming and was always ready to do a favor and when needed by his friends and community.

He was born in 1891 at Decatur, Texas, and was the son of Mr. and Mrs. Harry Hardy. He was educated in the public schools of Decatur and attended the University of Texas at Austin. He was a member of the First Baptist church and was always in the front line of service for the master. He supported the institution with his means and gave his presence at every opportunity to all services and since he came back from Oklahoma City, where he spent the winter with a daughter, he was present in the Adult Sunday School class each Sunday morning when health would permit.

National Rural Convention in C...

The National Rural Convention will be held at Alvord, Texas, on Friday and Saturday, March 17 and 18. The convention will be held at the Alvord Hotel, and will feature a series of lectures and discussions on rural problems. The convention is a valuable source of information for all who want to know more about the war and how to help win it.

Obituary

Harry Hardy, son of Mr. and Mrs. Harry Hardy, died at Decatur, Texas, on Friday, March 10, 1944, at the age of 52 years, 6 months and 17 days. He was born in 1891 at Decatur, Texas, and was the son of Mr. and Mrs. Harry Hardy. He was educated in the public schools of Decatur and attended the University of Texas at Austin. He was a member of the First Baptist church and was always in the front line of service for the master. He supported the institution with his means and gave his presence at every opportunity to all services and since he came back from Oklahoma City, where he spent the winter with a daughter, he was present in the Adult Sunday School class each Sunday morning when health would permit.

P-T. A. To Meet March the 21st

The P-T. A. will meet Tuesday, March 21, at 3:30 p.m. in the High School auditorium. Rev. Stanley Jordan will speak on "Freedom of Religion."

Rev. Wesley B. Hite, District Superintendent of the Denton District of the Methodist church, was guest speaker at Decatur Lions luncheon meeting here Wednesday. Mr. Hite used as his subject the book "On Being A Real Person," by Dr. Harry Emerson Fosdick, noted clergyman. He stated that if this world is to become the kind of place that we should like to see it be, its citizens must give more thought and attention to personal responses to life. That America is lacking in its sense of responsibility is evidenced by its failure to provide as many good bonds as possible. America leads the world in the number of divorces, he declared.

"None must accept himself," the Rev. Mr. Hite stated, "and realize that there is possibly a big gap between what he should like to be and what he can be, then make the most of the situation with which he is faced. His remarks were concluded by stating that every natural emotion can be used, either constructively or destructively, and by urging that men avail themselves of the help of a power that is greater than themselves.

Order item of business conducted by the Lions was the awarding, by Zone Chairman, F. W. Burton, of ten-year "Old Monarch" chevrons to Lion H. M. Buttrill and H. H. Heathington in recognition of their having completed ten years of service as Lions.

Marine Corporal Died During Tarawa Battle

Marine Corporal John W. Gill, 12, who had been at grips with the Japs since the first American offensive in the Solomons, died during the Tarawa invasion, according to an official notice received by his parents, Mr. and Mrs. M. E. Gill at Dalhart, Texas.

A native of Decatur, where his maternal grand parents, Mr. and Mrs. J. W. Leonard still live, Gill was born at Dalhart, Texas, in 1932. He quit high school to enlist in September, 1941. He served on the Pacific battle zone since January, 1942.

His service during the Tarawa battle was described in an official notice received by his parents. He was killed in action on February 1, 1944, during the Tarawa invasion. He was a member of the First Baptist church and was always in the front line of service for the master. He supported the institution with his means and gave his presence at every opportunity to all services and since he came back from Oklahoma City, where he spent the winter with a daughter, he was present in the Adult Sunday School class each Sunday morning when health would permit.

A church that gives to all a welcome. MINOR BOUNDS, Pastor.

Gen. Eisenhower "Reviews" War Dog Hero

"Chips" — famous War Dog Hero being "reviewed" by General Eisenhower — will be allowed to keep his decorations. War Department officials have announced, but in the future medals will be awarded only to humans. "Chips" is the hero of dogs provided for homefront and battle service. Major General Edmund B. Gregory, Army Quartermaster General, recently congratulated owners of dogs supplied for service, and said that advances made with dehydrated dog food have made it possible to provide energy for Army dogs without relying on foods where quantities are limited. Dehydrated food has also helped to solve the feeding problem for American pets, many of which are going into service, and are proving to be "man's best friend" on the battle fronts of the world.

The sight of a Model T chugging down the street of a little town the other day brought back memories of the days when that was the customary method of transportation for millions—and there came to mind a few of the countless jokes that were made up about Henry's product.

The one, for example, about the man who requested on his death bed that his Ford be buried with him "because it never got in a hole that it couldn't get out of."

And then there were two negroes who were shooting craps and one said, "Ford dem dice." The other asked, "What do you mean—Ford dese dice?" The first one replied, "Shake, rattle and roll."

Then there was one about a man who wrote Mr. Ford a letter:

"Dear sir, I read in the newspapers that recently your factory made a car in the record time of exactly four minutes." The manufacturer replied that the news item was correct. The man wrote back, "I got that car!"

Folks joked and laughed—but they purchased Model Ts by the millions.

Jottings: Editors haven't quit having birthdays—E. S. Shoaf of the Wood County Democrat recently passed his 51st milestone. His column, "Tween You and Me," is often quoted by other newspapers.

In Granbury, this observer saw the gray-head of Ashley Crockett as the grandson of David Crockett was busy—despite his more than 80 years—setting type by hand in the office of the Hood County Tablet.

Arthur Biard of San Antonio has a favorite saying, "Any fool can criticize, condemn and complain—and most fools do."

Headlee's service station in Denton has two negro attendants who have the same name: James W. Williams. To tell them apart, one is called, "No. 1" and the other "No. 2."

Seeing oranges piled high in grocery store windows is a sight that brings to mind boyhood days when an orange in a stocking on Christmas morning was a real event. Nothing could more graphically show what improved marketing, improved transportation—in short, private enterprise has accomplished than this marvelous change in the span of 40 years.

Wise County Boy Graduates From Gunnery School

CAMP ELLOITTE, SAN DIEGO, Calif.—Pvt. Thomas Curtis Faith, USMC, son of Elmer and Mattie Faith, Decatur, Texas, has been graduated from the Mortar Gunnery School at the Training Center here with a rating of high expert.

This qualification, better than a 96 per cent perfect score, entitles him to a gunner's post and an opportunity to shoot at the splendid record other Marine mortar gunners have already established in the South Pacific.

The mortar has been found to be a valuable weapon in jungle terrain and has, in many instances, replaced the more cumbersome field artillery pieces which may hamper fast moving jungle fighters.

Private Faith, born Feb. 27, 1915, at Alvord, Texas, was employed by the Cudahay Packing Corporation at Amarillo, Texas, before enlisting in the Marine Corps.

His wife, Nellie, and daughter, Jo Ann, reside at Sentinel, Okla.

Interesting All-Day Program of W.S.C.S.

Another banner day in the Woman's Society of Christian Service was held Monday, March 13, when the three circles met for their regular monthly fellowship luncheon. Some fifty persons were present, 46 of whom were members of the society. Mrs. M. P. Jeffers and her circle, conducted an interesting program, which began by the singing of a hymn, led by Mrs. Myrtle Collins, with Mrs. Cleo Rann as pianist.

Mrs. Calvin McCurdy gave the devotional, using as her theme, "The Rare Gift of Real Friendship."

Climaxing her remarks by the thought that Christ, when dying, so loved real friendship that He gave His most precious earthly possession—His mother—into the hands of one who had been His closest friend.

Mrs. E. B. Harrison gave a serious and thought provoking talk on, "Shall Our Protestant Missionaries Be Withdrawn From Latin-America?"

Mrs. J. H. Cates discussed the building of a church by the W. S. C. S., stressing the part that churches must be built upon the Bible and prayer, for a sure foundation.

Miss Jennie Hambricht gave a Bible quiz, which proved both enlightening and interesting.

At the noon hour the prayer of thanks was given by the pastor, Rev. Minor Bounds, and the afternoon benediction by Mrs. Minor Bounds.

Mrs. Hoyt Talley, acting as treasurer, received membership dues for the next quarter's work. Next meeting at the church, March 20.

Card of Thanks

We are unable to see and tell each and every one who visited us, sent flowers, and did many other kind deeds, expressed sympathy and comforted us in our days of illness and passing of our dear husband and brother, but we trust you get our heart felt message and unexpressed appreciation for the many things you have done for us, through this and other great sorrows during the years gone by.

Mrs. Alma Wilson, Burl, James, and Babe Wilson.

Mrs. C. E. Holt and Mrs. Ben Moore.

TALENT SHOW

The Decatur High School volleyball girls are presenting a county-wide Talent Show in the Decatur High School auditorium Tuesday night, March 21, 1944. For each number that is on the program, there will be an entrance fee of 25 cents. Prizes will be given for the three best numbers selected by the judges. Everyone is invited to enter. Between numbers there will be an auction no one can afford to miss. Admission prices to the program will be 15, 25 and 35 cents.

There will be plenty of fun for everyone, so everyone come.

Mayor and Mrs. Russell Hoyt of Denton, visited Mrs. Geo. Teper the past week.

If You Suffer 'PERIODIC' FEMALE PAIN

With Its Weak, Cranky, Nervous Feelings

If at such times you, like so many women and girls suffer from cramps, headaches, backache, nervous tired feelings, are a bit blue—due to functional monthly disturbances—Start at once—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous not only to help relieve monthly pain but also accompanying tired, weak, nervous feelings of this nature. This is because of its soothing effect on one of woman's most important organs. Taken regularly—Pinkham's Compound helps build up resistance against such symptoms. Follow label directions.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

What You Buy With WAR BONDS

Beans

So long as a soldier can eat and think up disparaging names for his equipment the Army will do all right. Food is either "beans," or "chow."

"Chow" may consist of a well cooked meal or if circumstances demand our fighting men have learned to subsist on "Ration K," the concentrated food that all of them carry into battle.

With millions of men and women in the services it will require a lot of War Bond buying on our part to keep them happy.

U. S. Treasury Department

What You Buy With WAR BONDS

Wigwag

Frequently the Navy, the Coast Guard and the Signal Corps finds it expedient to relay messages without benefit of telephone, telegraph or radio. That is when the semaphore system is employed.

Like a single flag in the "Wigwag" system, the purchase of a War Savings Stamp or Bond, in itself has an infinitesimal effect upon the entire war effort, but when 130 million determined people set their minds to make our War Bond drives successful, the result is anything but infinitesimal.

U. S. Treasury Department

Pfc. J. A. Smith, of Camp Adir, Oregon, returned Sunday from a furlough of 17 days spent with his parents, W. M. A. Smith, on emergency furlough on account of the death of his infant son.

Capt. Ira M. Stepp and family are visiting his parents, Mr. and Mrs. ra Stepp.

KEEP ON
Backing the Attack!
WITH WAR BONDS

Sgt. Geo. King of Fort Benning, Ga., is at home on a furlough.

Mr. and Mrs. O. V. Scott from Olney visited Mr. and Mrs. J. M. Scott, Sunday.

Paul Scott from Tyler was in Decatur, Saturday.

Mrs. W. H. Finley attended the funerals of Miss Maggie Proctor and Rev. Frank Jones of Alvord, Tuesday. Mr. Finley went up on business Monday night and his wife accompanied him home.

These prices art at the Hatchery.

MOSLEY'S LEGHORN FARM

ALVORD, TEXAS

Texas is a vital force in America's war effort today because of the splendid job Texans have been doing for the past 30 years... working together in meeting the challenge of industrial opportunities! During these years, the Texas Power & Light Company has been working with business, industrial and civic leaders, encouraging the location of new factories to utilize local supplies of raw materials to give employment to local labor and to provide a more balanced income for all.

LAYING THE FOUNDATION

By pioneering the development of transmission-line electric service in 1912, Texas Power & Light Company, founded by Texans and manned by Texans, supplied an essential factor for industrial growth of the State. Transmission lines brought ample, dependable, low-cost electric power service to cities, towns and villages alike... and into the sparsely settled rural areas... opening wide the door of industrial opportunity for all. This Company today, through its 10,000 miles of transmission and distribution lines, serves 445 cities, towns and communities, of which 298 had no electric service prior to the arrival of the Company's lines.

Since its organization, this Company has been closely identified with practically every phase of industrial development in Texas.

TEXTILE INDUSTRY

Factories to utilize Texas cotton... long a dream of industrial-minded Texans... had first consideration after World War I. The Texas Power & Light Company took the lead... sending its officials on tours of textile centers to gain first-hand knowledge of the problems involved in "textilizing Texas"... gathering data as to what Texas had to offer textile mill operators... using much of its advertising to stimulate local and national interest in Texas as a new textile center... publishing a monthly magazine, *Texas Opportunities*, to continuously set forth the outstanding advantages Texas afforded textile mill operators... conducting groups of New England mill owners, bankers and investors on tours of Texas cities and towns. Within a year after these activities were started, nine new textile mills were organized in Texas!

DAIRY INDUSTRY

Then followed development of the dairy industry... to provide daily cash income for Texas farmers, regular employment for Texas workers, and much added value to Texas manufactured products. Again, the Texas Power & Light Company actively led, coordinating the efforts of civic leaders, county agents, and farmer groups in (1) stimulating milk production on thousands of farms to attract large milk processing plants; and (2) organizing local groups or interesting out-of-state companies in establishing and operating such plants. Within eighteen months, Texas was literally dotted with dairies, cheese factories, evaporated milk plants and other types of milk products establishments.

As far back as 1926, the Texas

Power & Light Company compiled a report on the possibilities of East Texas iron ore. Through the years this Company continued, almost single-handedly in the face of constant discouragement, to press for the establishment of facilities to utilize these abundant iron ore deposits.

When the war emergency emphasized the need for iron and steel, this Company's long-time efforts bore fruit. The Lone Star Steel Company... pioneering in its field... was organized, and is now completing one of the largest blast furnaces in the world, at Daingerfield, Texas.

Thus, a new industry was born in Texas... born today in the nation's hour of need.

During this same period, this Com-

pany has cooperated with local Chambers of Commerce in the development of other industries, such as glass factories, cottonseed-products plants, paper mills and box factories, packing plants, egg-breaking plants, cement mills, garment factories, and scores of smaller industries. Thus, Texas has acquired a balanced industrial growth with emphasis on the utilization of farm products.

In cooperation with Texas County

Agents, Texas A. & M. College, Texas Tech, and all other agencies working for the betterment of Texas agriculture... the Texas Power & Light Company has conducted countless tests and experiments for the purpose of improving the quality and adding to the sum total of Texas farm products. At the same time, the Company's engineers have constantly cooperated in developing new industrial uses of these farm products... bringing closer together the farm and factory.

Cottonseed products... sweet potato culture and processing... dehydration... frozen foods... poultry raising and livestock breeding... the care and handling of dairy products are among the notable fields in which these efforts have been singularly beneficial.

Ready for Tomorrow

This Company, continuing its leadership, is planning for the industrial expansion which must follow the war... is ready to go strongly forward, helping with the greater industrialization of a greater Texas. Our experience gained through almost a third of a century of pioneering in industrial research; our records compiled through painstaking efforts; and our trained personnel are now, as in the past, at the service of communities large and small in the area we serve, to expedite their industrial-development programs. This Company has more than ample facilities to fully meet the expanding power requirements of this, the fastest growing industrial area in America!

Soil Conservation District Is Operated

oil conservation district is by five landowners called supervisors who are elected landowners of the district, elected from the five divisions or zones. These supervisors meet regularly to act affairs, act on suggestions, and arrange matters and ranchers.

program and work plan developed by the supervisors which sets forth for assisting landowners. The conservation work in the district. Rec-conservation practices work plan are based on capability of the various erosion, and farming the district. Copies of and work plan of the work District are available district supervisors or at the Conservation Service office.

ould be impossible owner individually, supervisors have re-ance of a conserva-each conservation the district is as-formation in his the program and receive help from

ion leaders and Denton-Wise and Districts of Wise

County are:

Denton-Wise Soil Conservation District: E. F. Hornback, Midway; A. T. Fortenberry, Whites Creek; E. C. Childers, Allison; J. J. Wilson, Harts Creek; A. B. Van Meter, Blewett; Carl Slay, SE Rhome; R. A. Pinkerton, Shiloh, and T. F. Cook, Oak Grove.

Upper West Fork Soil Conservation District: B. P. Vaught, Boonsville; S. E. Miller, Balsora; R. R. Crawford, SW Bridgeport; T. M. Coffman, Cottondale; W. H. Holmes, Valley View; George Cunnus and W. D. Phillips, New Salem; Robert L. Bennett, SW Rhome; J. H. Brammer, Aurora; W. A. Davis, Boyd; Sam Acola, Woody; Hays Crowder, Prescott; J. E. Mara and R. Z. Robinson, Chico; A. C. Baldwin, Turkey Creek; Joe A. Knight, Sand Hill, and Guy A. Collier, Crafton.

The names of these conservation leaders are given in order that all who are interested may conveniently receive information about the district program. Information may also be secured from the Soil Conservation Service office in Decatur which is located in the Bulgarel building.

Soil Conservation District Notes
Kudzu, a new plant for this area, has been planted by two district co-operators, George Cunnus and B. P. Vaught. It is an excellent soil improving and erosion resisting plant and also affords good grazing or hay crop where adapted. Plants were furnished by the district supervisors. Hays Crowder, conservation leader

of the Prescott area, recently purchased a terracing disc for his tractor, which is proving to be a good tool for building terraces in the sandy soils.

Madrid clover (bi-ennial yellow sweet) has recently been seeded by four district co-operators, Robert L. Bennett, E. F. Hornback, A. T. Fortenberry and Carl Slay on approximately 24 acres. This is a relatively new species and has proven to be well adapted to the blackland and prairie soils as a soil improving, grazing, or hay crop as evidenced by the excellent results obtained at the Denton Agricultural Experiment Station.

Farm ponds or tanks have recently been constructed on the farms of A. C. Bennett, Robert Bennett, Carl Slay, Mrs. Dora Logan and Dr. J. H. Sewell in the Rhome community by Buck Lipsie, who has large equipment including a RD 7 Tractor and seven-yard carry-all. The district supervisors and farmers appreciate the good work being done by Mr. Lipsie.

What about grass seed this spring? The district supervisors regret that they are unable to furnish the co-operators with grass seed, due to the fact that practically no seed were produced this year on account of the drought.

Greenwood News

Greenwood, Texas

Mrs. John Fisher, who had spent the last two years here caring for her father, "Uncle Bart" Keown, left Tuesday to rejoin her husband in Detroit, Mich. Mr. and Mrs. Fuller Keown have assumed her duties, looking after "Uncle Bart."

J. M. Cooper, county farm agent out at Breckenridge, was here, Wednesday, renewing old acquaintances. Mr. Cooper was vocational agriculture teacher here, 1931-33.

Mrs. George Black came up from Ellis county, Wednesday, to visit her daughter, Mrs. Guin Fortenberry, and family. Mrs. Fortenberry and children accompanied her home, Thursday, to spend several days.

Mrs. Martin and Mrs. Lovelace of Decatur spent Thursday here with the Greenwood ladies in the Red Cross production room. About 25 were present.

Mr. and Mrs. J. H. Campsey left Wednesday to visit several of their children in northwest Texas.

Mrs. R. D. Warren and Mrs. P. R. Roberts returned home Wednesday, after visiting several days in Valley View.

Mr. R. D. Warren and Mrs. Roberts were Bridgeport visitors Thursday. It is suspected that they had a big fish fry that night.

FOR RENT—Furnished apartment, Electric Refrigerator, 1½ miles out of Decatur on Bridgeport road. V. Cunningham, Decatur. 12-11c

WANTED—Washing and ironing to northwest of Lions Club, see me at my place. 12-2tp

FOR SALE—One young horse and one grey bull. W. C. Rhine, Route 12-11tp

The Avery cream separator; 25 Bull Orphaning; 2 young Jersey calves. Mrs. Willis Stevens, north Decatur on 12-11tp

LAND BANK LOANS—Low interest rate, repayment period of 30-34½ years with 10¢ of making larger payments paying in full at any time. Let us help you finance purchase of a farm. In Decatur each Tuesday. Denton-Wise National Farm Loan Association. Raymond Pitts, Secretary-Treasurer; W. P. Thurmond, Assistant. 10-11f

FOR RENT—Single bedroom for lady; Funeral Home Apartment. Mrs. C. L. Christian. 12-11c

FOR SALE—Electric brooder, same new, will hold 200 chickens. Wiley Stevens, Route 3, Decatur. 12-11tp

Mrs. P. F. Milligan of Houston is visiting friends in and around Greenwood.

Mr. and Mrs. J. W. Richardson and Chief Williams made a business trip to Greenville, last Thursday.

Mr. and Mrs. Grady Keown were shopping in Fort Worth, Friday.

Charlie Dodge of Mineral Wells visited his father, E. W. Dodge, in a Decatur hospital, Saturday.

Miss Mary Jo Truitt was shopping in Decatur, Saturday.

Mr. and Mrs. Joe B. Howard visited in Dallas, Sunday.

Miss Lessina Ballinger spent the week end with her parents.

Mr. and Mrs. Melvin Truitt were in Decatur, Saturday, to meet Mrs. Sanders of Beaumont. Mrs. Sanders came to visit her brother, R. D. Warren, and Mrs. Warren.

Mr. and Mrs. Bill Williamson of Codell, Kan., were here, Saturday and Sunday, to attend the funeral of Mrs. Williamson's brother, M. Sgt. John T. Wilder. The Williamsons were former residents of Greenwood, but have been living elsewhere for a good many years, a large part of that time in Codell.

W. A. Twilla, Tech. Sgt. A. L. Twilla, Mr. and Mrs. T. R. Fuston attended the stock show in Fort Worth, Monday. The Fustons live in Turkey, Texas, but are visiting the Twillas here.

The Greenwood H. D. C. met with Mrs. Guin Fortenberry, last Wednesday. Eight members were present. The next meeting will be April 12, with Mrs. T. N. Maxwell, Sr.

Mr. and Mrs. L. H. Ballinger are visiting the Weatherbys in Gainesville.

Mrs. Ira A. Bentley and children of Fort Worth came up for the week end with the W. M. Bentleys on Bar

70 Ranch.

Mrs. Carl Porter and little daughter, Jimmie Ruth, came with Mrs. Bentley and visited with her sister-Mrs. J. F. Truitt.

Deaths

Last week end was marked by two funerals in this community.

William Elvy Wilson passed from this life, Friday morning, March 10, in a Decatur hospital, following several days illness, which seemed to develop following an attack of "flu" some weeks ago.

The funeral was held in the Christian Funeral Home in Decatur.

He is survived by his wife, Mrs. Alma Wilson, and several brothers and sisters.

The Wilson family were long-time residents of this community.

His body was laid to rest, Sunday afternoon, in the Sycamore cemetery, in the presence of many relatives and friends.

Some of the relatives attending from out of Greenwood were Mr. and Mrs. Burl Wilson, Oklahoma City; Mrs. E. R. Wilson, Hobart, Okla., and Mr. and Mrs. Ben Moore and Mr. and Mrs. Clyde Holt of Decatur. The sympathy of the community goes out to the bereaved.

Serving Uncle Sam

Mech. Sgt. John T. Wilder, U. S. Army, who died recently in Denver, Colo., was given a military funeral and burial in the Greenwood cemetery, Sunday.

Sgt. Wilder had seen 25 years of service in the U. S. Army Air Corps.

Soldiers from Camp Howze, near Gainesville, and members of the Decatur Home Guard were in attendance.

Capt. Ballard Powell Durham is now stationed somewhere in England.

Aviation Sgt. Ralph H. Durham is attending special training school at Stamford, Texas. He hopes to be moved closer to home when he finishes school.

Mrs. Temple Mahaney has had a long looked for letter from her brother, Sgt. Royce Floyd, of the U. S. M. C. He is now somewhere in the Pacific.

Sgt. J. W. Floyd is stationed in the Pacific and is also in the Marines.

Lt. J. M. Matthews called his mother from San Francisco, Calif., and talked to all of the family that was gathered there. He is looking forward to a furlough in the near future.

Sgt. Jack Knox of the U. S. A. A. F., stationed in Arizona, is home on a furlough.

Cpl. Orin (Ras) Fortenberry says the social life in New Guinea is somewhat slim.

Pfc. Hubert Schertz has been home on a week-end pass from San Marcos, Texas.

Pfc. James William Gage is looking forward to a furlough in a few weeks. He is attending a special training school in Florida.

Pfc. Lois Fellers has just moved to Swannanoa, N. C., and is enjoying seeing the mountains, but hasn't had the opportunity to climb any of them yet.

Staff Sgt. Arthur Campbell is stationed at Stoney Field, S. C. He is Mess Sergeant.

Pvt. Willis Eldredge Montgomery, U. S. Army, Louisville, Ky., was here, last week, visiting relatives and friends.

Tech. Sgt. Alfred Lloyd Twilla came home, last week, on furlough.

Lt. Young T. Sloan, meteorologist, somewhere in the southwest Pacific region, writes that he is looking forward to a 15-day furlough. This will be his first furlough in more than two and one-half years of service. He is highly pleased to again

OBITUARIES

JOHN HENRY MCGAUGHY

John Henry McGaughy was born in Red River County, Texas, June 27, 1874, and came to Wise County with his parents in 1908 and bought a farm in the Pleasant Grove community. Mr. McGaughy's parents munity, which has been known as the McGaughy homestead since that passed on several years ago, and he and his wife made the old homestead their home, where they lived at the time of his death.

He departed this life in a Decatur hospital Friday, March 10, at 2 p.m. at the age of 69 years, 8 months and 13 days.

He was married to Miss Ora Mitchell of Decatur, November 21, 1914, no children were born to this union. Mr. McGaughy was converted and joined the Methodist church in Red River County when he was a small boy and after moving to Wise County he moved his membership to the Sand Hill Methodist church, where he was a member at the time of his death. He and his good wife, have been faithful, active members of the Sand Hill church since their marriage and he was an honest, honorable, Christian gentleman, a good neighbor and friend to all who came in contact with him.

Funeral services were held at the Sand Hill church Sunday afternoon at 3 o'clock, conducted by pastor, Rev. W. J. Williamson, and former pastor, Rev. E. F. Lancaster, and Dr. J. L. Ward. Interment was made in Sand Hill cemetery.

He is survived by his wife, Mrs. Ora McGaughy, one brother, Sam McGaughy of Spur, Texas two sisters, Mrs. Mary Campbell and Mrs. J. H. Steenbergen, of Lubbock, and many nephews and nieces.

Active pallbearers were six of his nephews, John, Howard, Ballard, and Wilbur Steenbergen, Joe A. and Robert McGaughy.

Flower girls were: June Belov, Irmalee Wall, Eva Joe Gregg, Guineath Thompson, Kathleen Belov, Betty Lou Steenbergen and Sandra Belov.

Honorary pallbearers were: Hale Belov, John Price, Joe Cates, Thad Belov, H. C. Avant, B. Terry, Woody Bell, Nolan Gregg, Otis Evan Wal-

lace Gregg, Cecil Collins, Guinn Thompson, Edd Young, J. A. Parr, Hub Collins, Ocie Lasater, Glenn Cates, Jess Taylor, Cliff North, Herman Stone, Pat Dick, J. A. Simmons and Dr. T. G. Rogers, John Cartwright, J. J. Rieger, Bill Perrin and John Gentry.

ELVY WILSON

Elvy Wilson, eldest son of the late Marlon Wilson and Mrs. Georgia Wilson, who were pioneer citizens of the Sycamore community, passed away in a Decatur hospital Friday, March 10, at 10 a.m.

Elvy was born in Wise County in the Sycamore community August 18, 1887 and has lived in that community all his life. He was married to Miss Alma Dobson of Greenwood, Texas, February 4, 1908. No children were born to this union.

Elvy, as he was well and widely known in the livestock industry, was an honest, honorable, industrious citizen and in his buying, selling and trading in the livestock business, made many friends in Wise and other counties.

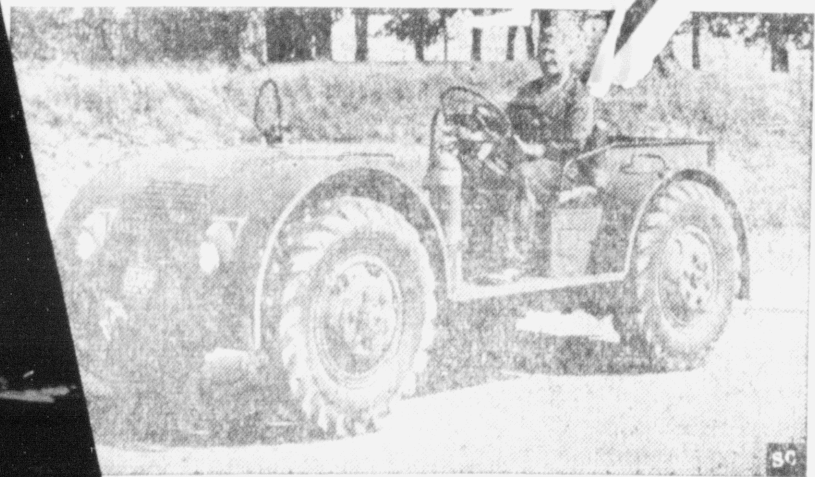

He is survived by his wife, Alma Dobson Wilson, three brothers, Burl Wilson of Oklahoma City; James Wilson and Babe Wilson of Greenwood, and Decatur, and two sisters, Mrs. C. E. Holt and Mrs. Ben Moore of Decatur.

Funeral services were held at Christian's Funeral Chapel Sunday, March 12, at 2 o'clock, conducted by Rev. R. E. Bell of Decatur. Interment was made in Sycamore cemetery.

Pallbearers were Malcolm Branch, George Young, J. W. Brady, L. C.

"Jeep" Helps Save Lives of War Heroes

WHERE IN THE SOUTH PACIFIC—"We were landing our troops after a successful raid on the Japs. Some of the planes got up a bit. One had blown a tire and landing with the flat on the runway. There was over half the rest of the squad waiting and waiting to come in... getting dangerously low and crews had to clear the runway... delay could easily mean deaths and injury to gallant U. S. airmen. Two Jeeps from a revetment, hooked tow bars to the plane, and these planes weigh many tons and on other Jeeps it take an hour to clear the runway of one of them. Jeeps roared—strained, and I'll be d—d if the two Jeeps didn't drag that plane off the runway in less than 10 minutes. Our boys landed safely."

A true eye-witness account of a lieutenant in charge of a "somewhere in the Pacific" and it graphically tells the story of the war fronts by the modernized original "Jeep". Thousands of these remarkable machines, made by the Mohr Power Implement company, are on the way over the world.

Slimp, Frank Covington, Wib. S. Rutherford and Charlie Rhine.

SGT. JOHN T. WILDER

Sgt. John T. Wilder, died in Fitzsimmons general hospital in Denver, Colo., Thursday, March 9, following many weeks' illness.

He developed pneumonia in a fox hole on Battan in 1942 and was evacuated to Australia before Battan fell and recovered but later developed bronchial carcinoma and was sent to a hospital in San Francisco, then to San Antonio, Texas, and later to Denver, where he passed away.

He had been in services of the U. S. Army since World War one, and was a true honorable American soldier and gave his life for his country. He was converted and joined the Baptist church at Greenwood in early life.

The body was brought to Decatur via Denver train, in a flag draped casket Sunday morning and military funeral was held Sunday afternoon at Greenwood Baptist church and Greenwood cemetery at 3 o'clock. Rev. Jess Hunt, pastor of the Greenwood Baptist church, conducted the religious services.

Pallbearers were eight Decatur members of the Home Guard, Sgts. Max Weaver, Jr., and Curran New, Jr., Billie Grubbs, Jack Woodruff, Warren Hunt, Billie Clifton, Gene Durbin.

Captain Cromwell, who is a nephew of Sgt. John T. Wilder, came over from Camp Howze, Gainesville, Texas and brought the firing squad and bugler. The casket flag was given to Mrs. Inez Williamson of Codell, Kansas, who is a sister of Sgt. Wilder.

He is survived by four brothers and five sisters in several states.

MAYBE...dent-proof Rubber Fenders tomorrow

BUT...OIL-PLATING YOUR ENGINE is like outdoing the future—today

What wouldn't America give to see an Auto Show again?...With startling innovations?...With irresistible gadgets?...Surely with "cut-away" engines—innards exposed—mechanism moving, hushed and hypnotic, while you crowd around to see.

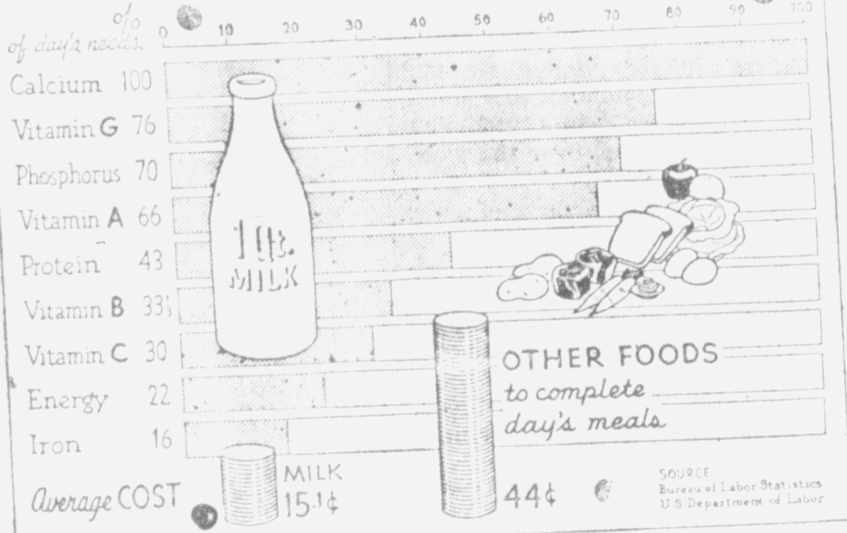

You just ought to see your own engine's innards, though...now! Every explosion in there, as in anyone's engine, must produce acids. They're corrosive; hungry for metals. But advanced research has created the corrosion fighter known as OIL-PLATING. And all the corrosion-resistance of an OIL-PLATED engine is yours as you change to Conoco Nth motor oil for Spring.

The action of the special synthetic in popular-priced Conoco Nth oil rivals "magnetism"...fastens OIL-PLATING to

metal as if to stay...don't let all the OIL-PLATING promptly drain down to the crankcase...keeps up into reference to acid. Even without long steady runs that would help a bit to heat acid away, you needn't worry. Even with restricted overcool operation that tends to make acid a "double trouble," you needn't worry. You'll have all the safety of protective OIL-PLATING all the while you use Conoco Nth. Change today for Spring, at Your Mileage Merchant's Conoco station. Continental Oil Company

CONOCO Nth MOTOR OIL

MILK Cuts Food Costs

"Milk does more for the body than any other food and does it more cheaply." That statement by the Bureau of Home Economics of the U. S. Department of Agriculture is forcefully illustrated in this National Dairy Council chart showing the high percentage of each of the daily food elements which are provided by a quart of milk and the other foods necessary to complete daily dietary requirements.

The average cost of a quart of milk delivered to the home in the United States is 15.1 cents. The average cost of other foods needed to complete an economical diet and provide the balance of the nutrients needed daily is about 44 cents. Rising food costs together with the necessity of maintaining the best possible wartime diets are now giving added emphasis to the economy of milk.

The foods making up the meals used as a basis for this chart are as follows: Breakfast: fruit, whole-grain cereal with milk and sugar, whole-wheat toast with butter, milk, and coffee with cream and sugar. Lunch: meat loaf with tomato sauce, whole-wheat bread with butter, fresh apple, oatmeal cookies and milk. Dinner: meat stew with vegetables, cole slaw, whole-wheat bread with butter and jam, coffee with cream and sugar, junket and milk.

Calling All Poultry Raisers

Preparation To Be Made Before the Chicks Arrive

Thoroughly clean the brooder house, sweep down the ceiling and walls and remove all dirt. Thoroughly disinfect the brooder house with a good commercial disinfectant or one can of concentrated lye in 20 gallons of hot water (the nearer boiling the better) makes a good disinfectant. If brooder house can be moved, skid at least 20 yards to clean ground. Check the house over and close up any cracks in the walls or floor that might cause a draft. Put the brooder in the house and operate it for two days before the chicks arrive making sure that it holds an even temperature of 95 to 98 degrees two inches from the floor at the edge of the hover. Put litter, feed hoppers, water fountains, and grit hopper inside the wire guard in the house. Have a fresh supply of chick starter on hand so that the chicks may be fed as soon as they arrive. The corners of the house should be rounded off to prevent chicks from piling in the corners. Building paper, wire hardware cloth, tin or lumber may be used.

After the Chicks Arrive

Remove the chicks from the boxes and place under brooder, taking special care to avoid chilling. Feed a good buttermilk starting mash. Supply fresh water that has been heated enough to remove the chill. Observe the chicks frequently the first few days to make sure that they are comfortable. (Uncomfortable chicks "cheep" constantly.) Supply fresh starter each day. Keep chick-sized grit or clean river sand and gravel in the grit hopper constantly. The temperature should be lowered about five degrees per week until heat is no longer needed. A dim light burning in the house all night will aid materially in preventing crowding, and it will also make it possible for the weaker chicks to eat and drink during the night. The hardware cloth chick guard may be removed when the chicks are four days old. The wise poultryman will visit the brooder house just at dusk each night when the chicks are going to roost. A comfortable brood of chicks will bed down in a circle around the brooder stove. This circle will become wider and more removed from the brooder as the chicks grow. Chicks should be confined to the brooder house, a concrete floor, and a concrete waterer during the first few days. This will materially reduce the danger of contamination.

Kidneys Must Work Well

For You To Feel Well

24 hours a day, your kidneys are working hard to keep you healthy. If they don't, you'll feel tired, weak, and generally unwell. That's why it's so important to keep your kidneys in top shape. The best way to do this is by taking a course of treatment with the famous 'Backache Kidney Pills'.

These pills are made of pure, natural ingredients and are guaranteed to give you relief from all kidney troubles. They'll help you feel better, stronger, and more energetic. So, if you're feeling any of the above symptoms, it's time to start taking 'Backache Kidney Pills' today!

THE FIRST, THE BEST, THE MOST RELIABLE

We will have chicks for sale starting Monday, February 7th

Our many years of experience in the hatching business will assure you that when you buy from us you can depend upon the most carefully hatched and properly handled chicks. We expect this year's demand to be equally as great as it has been in the past. We advise you to book your order early and get your chicks at the proper time.

Time in 12:30 noon, Station WCAP, and listen to Norton McGiffin give you up-to-the-minute war news.

Our Two laying mash contains a 10¢ coupon that you may exchange for our baby chicks.

Decatur Baptist College News

By Dorothy L. Raines

New Term

The spring term of the college began Wednesday, March 8. Everyone was busy registering and getting his schedules arranged for the remainder of the year. It is hoped that this term will be as beneficial and enjoyable, if not more so, than the past two terms have been. With the change in terms and seasons came a change in sports. During the winter months volleyball has been played by the boys and girls, but now outdoor games are stepping ahead, such as tennis and baseball. A ping-pong table affords

another source of recreation.

Y. W. A. Meeting

The regular meeting of the Y. W. A., last Thursday night, was held in the home of Mrs. R. H. Watkins. At this meeting the life of Jose S. Flores was studied. He was brought up to be a Catholic priest but changed his belief to that of the Baptist and is now a great missionary working with a group of 25,000 Mexicans. After the program Mrs. Watkins served refreshments.

Polly Pals

Miss Mary Cowan, registrar and assistant dean at Neel Hall, suggested that the girls in the dormitory have a Polly Pal organization. This is a very secret organization as each girl is to do something for her Polly Pal without her Pal or anyone else knowing who she is. This is helpful in teaching one to be kind and thoughtful of others.
